PREFACE

This edition reproduces verbatim Theorod Schwartzkopff's *Pieces à 3 Viola da Gamba con Basso Continuo* manuscript in the *Universitätsbibliothek Rostock*, shelf mark *Musica Sac. XVII 58¹⁶*.

The manuscript is in separate parts and, as part of the *Basso Continuo* quoted in the title, also has a *Violon[e]* part: the intended instrument is probably a cello more than a contrabass viol (*violone* in the modern sense) and is the 'real' bass; the *Cembalo* part, instead, harmonises a kind of *basso seguente* which occasionally makes imitations less readable.

EDITORIAL REMARKS

- All editorial additions are placed above the staff or marked by dotted lines or parentheses.
- Original clefs, key signatures, time signatures, note values, ties, slurs, beamings and bar lines have been retained.
- All marked accidentals have been retained, even when superfluous according to modern conventions; however, they have been silently 'modernised' when today conventions dictate a different sign (i.e.: a sharp used to raise a flattened note has been converted to a natural sign).
- Accidentals above the staff or in small type between parentheses are editorial suggestions.
- All **1.** and **2.** *volta* are not original. In the source they were indicated through a wide slur underlying both measures (and occasionally *parts* of measures which have completed in this edition and marked as such).
- Rehearsal marks in the *Ciaccona* are not original and have been provided editorially as a convenience.
- In the source, the continuo figures were above the staff; in this edition they have been moved below the staff, which is more common in modern editions.

CRITICAL NOTES:

1. In all parts the repeat start is indicated with a *segno*.
2. Original: G#.
3. Original: .
4. A ~~4~~ digit was here and has been crossed out.
5. End repeat missing in the *violone* part.
